[To be used only for notes, requisitions, etc.]

Draft notifications for the sale of
(1) arrack Vend farms and (2) separate shops
for 1901-1902.

The only additions proposed in the notifications are—

(1) ~~Not~~ about demanding additional security or deposit from ~~person~~ foreigners having no property in mysore or from persons of doubtful solvency

(1) This seems all right.

and (2) allowing some latitude to the vendors to fix their own prices for arrack but not less than the minimum fixed by Govt.

I have doubts about the propriety of the second alteration proposed. In the Kolar district there are several shops & consequently there is sufficient competition acting as a check against prices being raised by vendors. Except shops in the Bangalore & Kolar cities & in the Gold fields, the same cannot be said of our consumers who buy their arrack & toddy at shops & not at liquor shops are more numerous than arrack shops & are situated at such short distances from one another that in case one shop charges exorbitant rates it forms the pivot of being deserted by consumers in favor of another shop

And they are in accordance with the notifications issued by the Madras Govt & the Resident in mysore in the case of Cantonment of Bangalore.

With regard to the 2nd addition proposed, reference is solicited to the Secretary's remark in his memo dated 5th January 1906 on the revision of rates of still head duty and retail price of arrack (slip placed).

no information is given in the Excise Commr's letter as to when the fresh sale commences.

Memo.

Clause 4(3)(a)
Clause 4(a) of para 7 of the Arrack-Toddy Notifications dated the 7th March 1901, introduces an important, and, as I said in my Memo of 57/1/91, "a radical" change. As Secretary, I was not in favour of it (Vide my note dated the 24th March 1907). The Councillors then in charge of the Excise Debts and the Ordy Revenue, though otherwise, were divided in accordance with their opinions. Mr Somasunderam has today interviewed me on the subject. As the result of that interview although the Question in all its bearings was fully discussed, I am of opinion that it is undesirable to effectuate the change all at once throughout the State. The Experiment is sound in principle and well worth a trial but I am not sure

that several interests will
not be somewhat affected by
and an appreciable loss
of revenue ~~from~~ owing to diminished
consumption will not-
follow ~~+~~ from the
being made immediately
applicable ~~throughout~~ to the
~~out~~ whole State - In
the Kolar Gold Fields
the Vendors have, I
understand from what
the Agent General has told me,
~~since~~ practically ~~from~~ the time last been
their own price unauthorizedly
and regardless of the
Tariff fixed by Govt -
So that ~~Exact~~ therefore
I would ~~apply~~ the new
rule without much
hesitation - ~~But~~ I am
in favour of the two annas
limit being continued
elsewhere until further
orders - If the Dewan
agrees, I would revise
the clause in question
accordingly and ask
the Agent to have
the remaining duty promul-

-coming sales -

To Dewan -

within the last time which has been allowed were fully considered of this important subject - I think I have ascertained enough to come to the conclusion that the change which has been ordered to be introduced should be postponed for another year -

The old selling rates were raised with effect from 1897-98 - and since then the decrease in the consumption of ~~sugar~~ arrack has been steadily going on. Both the manufacturer & the Cart Contractor complain that the change during the currency of their contract will affect them injuriously by the reduced consumption and from the financial point of view also it seems undesirable that a further reduction by any change this year - This reduced consumption does not however apply to old fields where the consumption which fell by about 6000 gallons in the first year rose by about 9 in the next year and again by about 3 in the third year - As a matter of fact it has been ascertained that the local vendors clandestinely charge a higher rate than what has been allowed and it is right that advantage

would be taken of this Memo
in the hope that official sanction
to the increased rate so that the benefit
of the altered measure may have its
effect in the possible increase of the
shop rents. This last will
be dealt with under the altered
rules but care should be taken
to prevent smuggling from the
surrounding hants where the rates
continue to have a fixed maximum.
Much difficulty need not be apprehended
in preventing such smuggling as the
fields will be somewhat similar
to the Tail & Malabary stations where
the system of minimum rate has been introduced
The remaining heads of this rate
I think it advisable to leave the
system which has been in force heretofore
but this altered conduct should be
effectually published so as to avoid
all disputes hereafter. The precaution
of latching the signatures of the intending
bidders to a written memo clearly mentioning
the reversion from the present system
as differing from the present published
rates may not be deemed superfluous &
and underneath under the title of

No. 4278/221 Ems 5, Excise Commissioner's Office
Bangalore dated 12th February 1901.

From,

The Excise Commissioner
in Mysore

To,

The Secretary to the
Government of Mysore
General and Revenue Department.

Sir,

I have the honor to submit herewith for approval and publication in the Gazette draft Notifications for the sale of arrack vend farms and separate shops for the year 1901-1902.

2. The objects and reasons for the alterations made in the above draft notifications are the following :—

I. Notification for the sale of Vend farms

(1) The proposed addition to para 3 is necessary to ensure the recovery of Government dues from the purchasers of vend farms, who are found to be foreigners having no property in the Mysore State, or to be of doubtful solvency. Several instances have come to notice,

in which Government dues have become irrecoverable on account of insufficient security having been taken or no sureties for the purchasers having been secured. Hence the necessity for the proposed addition. Similar provision exists in the Notifications of the Madras Government and also in those of the Civil and Military Station of Bangalore. Vide accompanying printed Copies of the Notifications.

On the reverse?

(2) The alteration in clause (4) (a) of para 7 is proposed with a view of introducing uniformity in regard to retail prices. At present for arrack the retail price is fixed, while for toddy only the minimum retail price is fixed, allowing the shop-keepers to sell toddy at higher rates if they choose. In the Civil and Military Station of Bangalore and also

in

in the Madras Presidency, e.g., minimum prices only are fixed both for arrack and toddy. As the Mysore territory borders on both the Civil and Military Station of Bangalore and Madras Presidency, it is desirable that for obvious reasons the principle of fixing minimum retail prices for both arrack and toddy should be adopted in the Mysore territory also.

× Vide the accompanying 5th issue of Notifications

II. Notification for the sale of Separate shops.

(3) For the same reasons and objects the addition and alteration to para 3 and clause (3) of para 7 are proposed.

2. The Schedules to be appended to the Notifications will be sent direct to the Press as usual.

I have the honor to be,
Sir,
Your most obedient Servant

H. Rumbold

REVENUE.

SALE OF ARRACK VEND FARMS FOR 1901-1902.

Notification No. 6968—*Ex.* 342, *dated Bangalore, 7th March* 1901.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling Arrack in the defined tracts specified in the subjoined schedule for the twelve months beginning with 1st July 1901 and ending with 30th June 1902, will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the taluk head-quarters in the respective districts, on the dates specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or, if necessary, reserving special tracts in which there may at present be no shops, for disposal afterwards.

2. The exclusive pivilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons,* be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents, and no person shall be permitted to bid either on his own behalf or on account of any one else until he has made a deposit of Rs. 200 for each defined tract or farm or such other reasonable amount as may be fixed by the officer conducting the sale. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. The successful bidder must, on the farm being knocked down to him and before the next farm is put up for sale, deposit a sum equal to $\frac{3}{5}$ths of a month's rent; and within fifteen days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. If he fails to make any of these deposits or to get the requisite surety or sureties, the deposits already made will be forfeited, and the exclusive privilege will be immediately re-sold or otherwise disposed of as the Deputy Commissioner may direct; and he shall be debarred from bidding again for the same or for any other farm.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss by the re-sale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by the purchaser of the terms of his agreement; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.

6. The details of consumption of Arrack in the shops of the existing farms and at depôts the amount of rental of each farm, &c., for several years past are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1) The exclusive privilege shall extend only to the sale of Arrack ordinarily of 20° under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2) The amount for which the privilege has been purchased shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1901; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

(3) (*a*) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm. Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(*b*) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) (*a*) The licensee shall purchase Arrack for issue to his shops from the "East India Distilleries and Sugar Factories, Limited," who have been appointed manufacturers of Arrack and other country spirits to the State, or from any Bonded Depôt established under the sanction of Government. The rate to be charged by the said manufacturers, for Arrack supplied by them, shall be 6¼ annas per gallon of 20° under-proof, and proportionate rates for lower strengths in accordance with Casella's rules. The licensee shall sell arrack to the public at ~~not less than the prescribed minimum rate of~~ Rs. 6-6-0 per gallon of 20° under-proof, *i. e.*, at annas 2 per dram which is equal to $\frac{1}{80}$st part of a gallon), and at proportionate rates for lower strengths.

(6) Note no 8296 dt 15/4/01 & 4401 18286 95 & as per G.O. no 4400 16/15/4/01

(*b*) The above rate to be charged by the manufacturers is in addition to excise duty, which shall be prepaid into the local Government Treasury, as per following condition (5), at Rs. 4¾ before the removal of Arrack from the Distillery, or from any Bonded Depôt established under the sanction of Government.

(5)

(5) The licensee shall pay the above duty into he local Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of Arrack covered by the receipt, and on payment of the prescribed price of such Arrack to the manufacturers or their agent, or any person appointed by Government in this behalf, the Supervisor or other officer in charge of the Distillery, or the Bonded Depôt-keeper, as the case may be, shall issue the quantity of Arrack equal to the amount of duty shown in the Treasury Officer's

receipt, which will be forwarded to the Excise Commissioner's office under the endorsement of the Supervisor, or other officer, or Bonded Depôt-keeper aforesaid, as to the date and hour when the Arrack was issued. The Supervisor or other officer aforesaid shall issue a pass in duplicate in the prescribed form under the rules in force for the transport of the Arrack from the Distillery. The licensee who obtains arrack from a Bonded Depôt shall pay both the price of Arrack and duty into the local Taluk Treasury.

(6) The licensee in the Bangalore district shall maintain at a place or places within his farm where it may be considered necessary by the Deputy Commissioner, a depôt or depôts to which all Arrack purchased by him shall in the first instance be conveyed in his own casks for verification, &c., of the consignment under the rules in force, before issue to the shop-keepers. The depôt shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such depôt shall be opened without a license from the Deputy Commissioner in the prescribed form. The licensees in the remaining seven districts will draw their supplies from, and deposit the same for issue to their shops in, the existing Bonded Depôts, the cost of the establishments and rent whereof being borne by the Government contractor for carriage of Arrack to Bonded Depôts. Provided however that in the event of the licensees prepaying the duty and price of the whole contents of any casks received from the Distillery, they will be at liberty to distribute the whole quantity at once to their shops or to remove it in their own vessels to any depôt which they may open within their farm under the Deputy Commissioner's license, and issue therefrom the requisite supply to their shops. The licensees of Vend Farms shall be bound to keep in depôts such stock of arrack as may be ordered by the Excise Commissioner.

(7) With the consignments of arrack from the Distillery or Bonded Depôt to Farm Depôts, as well as with those from Farm Depôts or Bonded Depôts to shops, sample bottles shall be issued in such manner as may be ordered by the Excise Commissioner. The arrack kept in Farm Depôts or issued therefrom to shops, as well as the arrack kept in shops or sold therefrom to the public, shall be of the same quality and strength as issued from the Distillery or Bonded Depôt, and shall not be adulterated or dilated in any manner whatever.

(8) The licensee shall keep true accounts of the quantity and strength of the Arrack purchased by him and issued to shop-keepers. The passes issued with the Arrack purchased by him shall be subject to examination and check under the Rahadari rules in force or which may be issued by Government from time to time.

(9) The Arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed or permit transfers of shops from one place to another.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the taluk within which his farm is situated, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the taluk, to hold any share or interest in his exclusive privilege of selling Arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any Arrack farm in any districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(12) The licensee shall be bound to take over any Arrack which may remain as stock in hand belonging to the out-going farmer on the 1st July 1901 in the existing Bonded Depôt in his farm, or in the Farm Depôt, or in his shops, paying to the out-going farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13) The licensee shall be bound by the provisions of the Excise laws and rules in force, and by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of Accounts and permits or passes for the transport of arrack, which forms shall be purchased from the local Excise officers.

(14) The farm shall not be transferable except with the permission of the Excise Commissioner.

(15) Resignations of farms in whole or part will be summarily rejected by the Deputy Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions or for such neglect or at the option of the Deputy Commissioner to declare the money deposited with him forfeited and to cancel the license, and re-sell the exclusive privilege or to otherwise dispose of it, at the risk of the licensee or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 1901, should be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws or other law for the time being in force.

SALE OF SEPARATE ARRACK SHOPS FOR 1901-1902.

Notification No. 6969—*Ex.* 343, *dated 7th March* 1901.

1. Notice is hereby given that the right of selling Arrack in each of the separate shops in the tracts specified in the subjoined schedule, for the twelve months beginning with 1st July 1901, and ending with 30th June 1902, will be put up to public auction on the dates and at the place named in the said schedule, by the Deputy Commissioner or other officer authorized by him.

2. Each bidder at the auction will deposit a sum of Rs. 60 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The shops will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons*, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders, and not forfeited as hereinafter provided, will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to ⅔ths of a month's rent for that shop; and within seven days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposits, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. Should he fail to make any of these deposits or to get the requisite surety or sureties, the deposits already made will be forfeited, the shop will at once be re-sold or otherwise disposed of under orders of the Deputy Commissioner, and he will be debarred from bidding again for the same or for any other shop.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder, who will forfeit all gain; and in the event of a loss by re-sale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. Persons to whom shops have been knocked down shall, within ten days of the expiry of the period of seven days above mentioned, take out licenses and execute agreements in the prescribed form, binding themselves and so much of their movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by them of the terms of their agreement. On the failure of any person to take out licenses or to execute agreements as aforesaid, the shop or shops will be re-sold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.

6. The amount of rental, the consumption of each shop, &c., for several years past are specified in the appended schedule.

7. The license to be taken out under para 5 above, shall be subject to the following conditions, namely:—

(1) The privilege conferred by the license extends only to the sale of Arrack of the strength of 20° under-proof. (2) (*a*) The amount for which the privilege has been purchased shall be payable into the local Government Treasury in equal monthly instalments commencing from July 1901; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare by record in writing, that the lease is forfeited and proceed to re-sell the shops as soon after the last day of the month as may be possible. The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the lease. Provided, however, that when the shops are re-sold, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the shops. The balance of such arrears and deficits, if any, shall be re-

coverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

On production of such receipt, and an indent for the supply of the Arrack covered by the receipt, the Bonded Depôt-keeper shall issue the quantity of Arrack equal to the amount of duty shown in the said receipt which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the arrack was issued. The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of Arrack from the Bonded Depôt.

(7) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Arrack, which forms shall be purchased from local Excise officers.

When a shop is cancelled, the rent for the whole period of the shop shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

9. The penalties laid down in the last preceding clause shall not exempt the licensee or his employes from prosecution for any offence committed against the Excise laws or other law in force.

SALE OF ARRACK VEND FARMS FOR ~~1900-1901~~.

Notification No. ~~6245~~ — *Ex.* ~~201~~, *dated, Bangalore, 1st March* 190~~0~~.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling Arrack in the defined tracts specified in the subjoined schedule for the twelve months, beginning with 1st July 190~~0~~ and ending with 30th June 1902, will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the taluk head-quarters in the respective districts, on the dates specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or, if necessary, reserving special tracts in which there may at present be no shops for disposal afterwards.

2. The exclusive privilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bid ler, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons*, be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents, and no person shall be permitted to bid either on his own behalf or on account of any one else until he has made a deposit of Rs. 200 for each defined tract or farm or such other reasonable amount as may be fixed by the officer conducting the sale. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. The successful bidder must, on the farm being knocked down to him and before the next farm is put up for sale, deposit a sum equal to $\frac{1}{3}$ths of a month's rent; and within fifteen days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent. If he fails to make any ~~either~~ of these deposits ~~aforesaid~~, the deposits already made will be forfeited, and the exclusive privilege will be immediately re-sold or otherwise disposed of as the Deputy Commissioner may direct; and he shall be debarred from bidding again for the same or for any other farm.

or to get the requisite surety or sureties

3. If he should be found to be a fit person to manage an property in the Mysore state or to be security, he may be required to deposit twice the aforesaid sum & to get a surety or sureties to execute a penalty bond for the due performance of all moneys that may become due by the contract.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss by the re-sale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount paya[redacted] by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by the purchaser of the terms of his agreement; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.

6. The details of consumption of Arrack in the shops of the existing farms and at depôts, the amount of rental of each farm, &c., for several years past are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1) The exclusive privilege shall extend only to the sale of Arrack ordinarily of 20° under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2) The amount for which the privilege has been purchased shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 190[redacted]; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

(3) (*a*) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm. Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(b) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) (a) The licensee shall purchase Arrack for issue to his shops from the "East India Distilleries and Sugar Factories, Limited," who have been appointed manufacturers of Arrack and other country spirits to the State, or from any Bonded Depôt established under the sanction of Government. The rate to be charged by the said manufacturers for Arrack supplied by them, shall be $6\frac{1}{3}$ annas per gallon of 20° under-proof, and proportionate rates for lower strengths in accordance with Casella's rules. The licensee shall sell arrack to the public at Rs. 6-6-0 per gallon of 20° under-proof (*i. e.*, at annas 2 per dram which is equal to $\frac{1}{51}$ st part of a gallon), and at proportionate rates for lower strengths.

(b) The above rate to be charged by the manufacturers is in addition to excise duty, which shall be prepaid into the local Government Treasury, as per following condition (5), at Rs. $4\frac{3}{4}$ before the removal of Arrack from the Distillery, or from any Bonded Depôt established under the sanction of Government.

(5) The licensee shall pay the above duty into the local Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of Arrack covered by the receipt, and on payment of the prescribed price of such Arrack to the manufacturers or their agent, or any person appointed by Government in this behalf, the Supervisor or other officer in charge of the Distillery, or the Bonded Depôt-keeper, as the case may be, shall issue the quantity of Arrack equal to the amount of duty shown in the Treasury Officer's receipt, which will be forwarded to the Excise Commissioner's office under the endorsement of the Supervisor, or other officer, or Bonded Depôt-keeper aforesaid, as to the date and hour when the Arrack was issued. The Supervisor or other officer aforesaid shall issue a pass in duplicate in the prescribed form under the rules in force for the transport of the Arrack from the Distillery. The licensee who obtains Arrack from a Bonded Depôt shall pay both the price of Arrack and duty into the local Taluk Treasury.

(6) The licensee in the Bangalore district shall maintain at a place or places within his farm where it may be considered necessary by the Deputy Commissioner, a depôt or depôts to which all Arrack purchased by him shall in the first instance be conveyed in his own casks for verification, &c., of the consignment under the rules in force, before issue to the shop-keepers. The depôt shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such depôt shall be opened without a license from the Deputy Commissioner in the prescribed form. The licensees in the remaining seven districts will draw their supplies from, and deposit the same for issue to their shops in, the existing Bonded Depôts, the cost of the establishments and rent whereof being borne by the Government contractor for carriage of Arrack to Bonded Depôts. Provided however that in the event of the licensees prepaying the duty and price of the whole contents of any casks received from the Distillery, they will be at liberty to distribute the whole quantity at once to their shops or to remove it in their own vessels to any depôt which they may open within their farm under the Deputy Commissioner's license, and issue therefrom the requisite supply to their shops. The licensees of Vend Farms shall be bound to keep in depôts such stock of arrack as may be ordered by the Excise Commissioner.

(7) With the consignments of arrack from the Distillery or Bonded Depôt to Farm Depôts, as well as with those from Farm Depôts or Bonded Depôts to shops, sample bottles shall be issued in such manner as may be ordered by the Excise Commissioner. The arrack kept in Farm Depôts or issued therefrom to shops, as well as the arrack kept in shops or sold therefrom to the public, shall be of the same quality and

strength as issued from the Distillery or Bonded Depôt, and shall not be adulterated or diluted in any manner whatever.

(8) The licensee shall keep true accounts of the quantity and strength of the Arrack purchased by him and issued to shop-keepers. The passes issued with the Arrack purchased by him shall be subject to examination and check under the Rahadari rules in force or which may be issued by Government from time to time.

(9) The Arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the taluk within which his farm is situated, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the taluk, to hold any share or interest in his exclusive privilege of selling Arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any Arrack farm in any districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(12) The licensee shall be bound to take over any Arrack which may remain as stock in hand belonging to the out-going farmer on the 1st July 190$\emptyset$ in the existing Bonded Depôt in his farm, or in the Farm Depôt, or in his shops, paying to the out-going farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13) The licensee shall be bound by the provisions of the Excise laws and rules in force, and by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of Accounts and permits or passes for the transport of arrack, which forms shall be purchased from the local Excise officers.

(14) The farm shall not be transferable except with the permission of the Excise Commissioner.

(15) Resignations of farms in whole or part will be summarily rejected by the Deputy Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions or for such neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited and to cancel the license and re-sell the exclusive privilege or to otherwise dispose of it, at the risk of the licensee or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 190$\emptyset$, should be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws or other law for the time being in force.

Office of the Excise Commissioner

Bangalore dated 10th April 1901

From,

The Excise Commissioner

To,

The Secretary to the
Government of Mysore
General and Revenue Department

Sir,

In forwarding herewith a copy of letter dated 10th instant from the Agent of the Manufacturers of Arrack and other Country Spirits to the Mysore State, and a copy of Yadi No 273, dated 10th idem, from the Arrack Contractors, I have the honor to state that when I went to the Bowringpet Taluk in January 1901, it came to my notice that the Licensees of the Separate Shops in the Kolar Gold Fields, were all combined and selling arrack to the consumers at 2½ annas per dram secretly, instead of the prescribed fixed rate of 2 annas per dram of arrack 25° U.P. in view to make up the loss in which

which they purchased the shops at the auction sales. Bearing this fact in mind and also seeing that the minimum retail rate only is fixed in the Civil and Military Station of Bangalore and Madras Presidency, I proposed the adoption in the Mysore State also of the minimum retail rate from 1st July next, more especially for legalizing the course which is secretly observed in the Kolar Gold Fields. Such proposal has been sanctioned by Government. But this new provision is objected to both by the Arrack Manufacturers and Arrack Carriage Contractors. Copy of their letter is forwarded received on this date. Government may perhaps be disposed to re-consider the point - especially as the uncertainties of weather prospects and financial considerations may induce Government to continue the existing situation unchanged for the present, so that the fixed retail rate of two annas per dram may continue in force till 1st July 1902, when their contract will expire. Accordingly I beg to submit the accompanying draft Notification for favor of early approval and publication in the Gazette. I shall instruct the Deputy Commissioners of Districts and Excise Divisional officers to intimate to the bidders at Auction sales that the fixed retail rate of 2 annas per dram will be in force

in

in the year 1901-1902 also, as at present. An exception may however be made in Kolar Gold Fields where a higher rate has been clandestinely adopted by vendors who have entered into a combination. Consumption has not been affected thereby the rise in retail price.

To

The Excise Commissioner

Bangalore.

Sir,

With reference to Notification no. 6968 Ex 342, dated 7th March 1901, published in supplement to the Mysore Gazette dated the 28th March 1901, Para 7, clause (4a), permitting the arrack Vendors to sell arrack to the public at a higher rate than the prescribed minimum of 2 annas per dram, I have the honor to submit that this concession enables the Vendors to take the shops and Vend farms at an abnormal price and

and then form a clique and propose a selling rate for themselves which the poorer classes of consumers may not be able to pay during the season when food grains are dear as at present, and therefore they will be driven to the necessity of going for cheaper drink such as toddy, beer &c and this will affect the arrack—— Consumption which will result in a loss to the manufacturers of arrack.

I have therefore the honor to request that you will be good enough to amend the notification under reference and withhold the concession till the end of the present contract for manufacturing arrack.

I have the honor to be,
Sir,
